A Lecture on the Nature, Treatment, Radical cure of Seminal Weakness, or Spermatorrhoa, induced by Self Abuse, Involutiary Emissions, Impotency, Nervous Debility, and Physical Incapacity, &c.—by Robt. J. Culverwell, M.D., author of the "Green Book," &c.

The world-renowned author, in this admirable Lecture, clearly proves, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
